

Ladies and Gentlemen,

There is a charity that is in dire need of some help!!!

About ten years ago a group of people wanted to do a little more to help others in need. They put together a bunch of Thanksgiving baskets and Christmas in the City gave them to families who couldn't afford Thanksgiving dinner.

For the last nine years Christmas in the City has been able to give a Thanksgiving basket to every family who came to them in need. Now, because of these tough economic times, there are more families in need than ever. Christmas in the City does not want to turn any family away, and with your help every family will be able to have a Thanksgiving meal around their own table with family and friends, something that everyone should be able to enjoy.

How you can help:

Put together food gift basket(s) with your friends and family.

Make a donation of food.

Make a donation – cash or check.

Make a donation of supermarket gift cards (increments of \$10.00).

Please feel free to call us at 617-542-6611 with any questions. If you would like to learn more about Christmas in the City, please visit www.christmasinthecity.org

Thank you for your support and have a great Thanksgiving!

Christmas in the City is a 100% volunteer run, non-profit organization whose mission is to support families living in shelters, and to help them with the transition from homelessness to independent living.
